

European Energy A/S: sale of two PV plant clusters in Italy with a total capacity of 121.43 MWp

Company announcement 3/2022 (16.02.2022)

Today European Energy A/S has completed the sale of two photovoltaic (PV) plant clusters in Italy with a total capacity of 121.43 MWp to a company belonging to the IREN Group.

The PV plants are located in the municipalities of Troia and Palo, in Apulia region in Italy.

The Troia cluster (103 MWp) and Palo cluster (18.43 MWp) are operating assets.

The sale will contribute positively to European Energy A/S' financial position.
